

# EREVENA IN THE NORDICS

## ABOUT US

Erevena is a global executive search firm that helps high-growth, innovative companies identify and recruit Board and C-suite executives and assists them in building their teams. We work with some of the fastest growing companies in the world, from early stage through growth and to exit; the VCs and PE firms that back them; and with publicly traded companies undergoing transformation.

The investors, boards and leadership teams that we work with value our advice, collaborative approach, diligence, global reach and expertise in hiring executives who understand innovation and disruption.

Our “one firm” approach puts the needs of our clients at the center of everything we do. We grow value in Erevena through investing in some of the funds and early-stage companies that we work with, alongside co-founding businesses that enhance our service offerings.

We are a team of 90+ giving us senior reach across a wide cross-section of sectors and geographies. With vibrant offices in London, Copenhagen, Paris, Stockholm, New York and San Francisco, we conduct search for businesses all over the world.
